[THE GALLERY](#)

Situated in the scenic and eclectic village of Hout Bay, a short drive from Cape Town central, the Osner gallery is located on the slopes of the 12th Apostle overlooking the surrounding mountains and the bay itself. The gallery is dedicated to showcasing a permanent exhibition of Samantha and Martin Osner's collaborative private print collections in a beautiful and serene setting. This is a place where time stands still for just a little while.

Viewing by appointment

To us photography is a reality driven medium that unlocks the expressive depths of art. We consider the camera and lens as mere instruments with the creative process.

In our work we strive to convey emotion and design rather than illustration. With the power to transform a subject in a matter of seconds, light for us is the mystical and elusive element that forms the foundation of what we do.

As a father and daughter, we are truly blessed to be able to share this creative world together. Our gallery is a sanctuary; a place where we can display our emotions on a wall and share our passion for art and photography with you.
